

Salice Salentino DOP 4/20 - Colle al Vento

Salice Salentino DOP

The meaning of the brand: 20, "venti" in Italian (referring both to the number as to the word "winds"). In the region of Apulia, different winds meet, all coming from the four different directions: 4/20 is therefore a play on words, meaning "four winds". These winds and their constant presence also affect the growth of the grapes and their harvest.
